

Nitbusters Day follow up letter

Child's name _____ Class/Group _____

Dear Parent/Carer

Your child was checked for head lice. The result of the screening is shown below.

- No head lice were found.
- Nits (eggs) were found.
- Head lice and nits (eggs) were found.

If your child has lice or nits, Nitbusters recommends that you treat your child and continue to check for the eggs or lice every second day. The treatment options are outlined in the attached information sheet.

On behalf of the Nitbusters Program we would like to thank you for allowing your child to participate in Nitbusters Day. Our school now has a trained Nitbusters team. Our trained team may run further Nitbusters Days in the school if the need arises. If you have any questions about the program or you would like to volunteer for the next Nitbusters Day please contact the Principal.

If you need an interpreter to assist you to contact the Principal please call the Telephone Interpreter Service on 131 450 and ask for an interpreter in your language. The operator will get an interpreter on the line to assist you with your conversation. You will not be charged for this service.

This information is based on information provided on the NSW Health Nitbusters website.
