

School Based Traineeship

Applied Digital Technologies

This pathways qualification provides the foundation skills and knowledge to use basic applied digital technologies in varied contexts. The qualification is designed for those developing the necessary digital and technology skills in preparation for work. Trainees carry out a range of basic procedural and operational tasks that require digital and technology skills. They perform a range of mainly routine tasks using limited practical skills and knowledge in a defined context, generally performing under direct supervision.

Outcome on completion of HSC

- Certificate II in Applied Digital Technologies ICT20120 in the ICT Training Package
- Advanced standing in the Information Technology industry
- Credit towards higher level Information Technology qualifications

Course delivery

- Both on the job and off the job and can be delivered face-to-face, flexibly or mixed mode
- The SBT term is calculated in months from the date of commencement to 31 December of the HSC year

Commitment required

- Undertake a minimum of 100 days in paid employment and training.
- Undertake Certificate II Applied Digital Technologies course as part of your HSC.
- The employment and training can be undertaken during school time, after school and during school holidays.

How will you be assessed?

- Both on the job and off the job through written tests, project work and practical exercises.

Course	ATAR eligibility	HSC unit credit
Applied Digital Technologies	No	Up to 3 units credit over two years towards your HSC for the formal training component (VET course).
Industry-based Learning course (optional)	No	This optional course recognises the significant work component involved in the school based apprenticeship. The course offers an additional 4 units credit towards your HSC. This HSC VET course does not contribute towards the calculation of the ATAR.

For further information about how to sign up to this school based apprenticeship please speak with your Careers Adviser or visit our Internet site at www.education.nsw.gov.au/sbat
