

School Based Traineeship

Aviation – Ground Operations & Services

This qualification provides individuals with technical and non-technical aviation skills to operate effectively in a broad range of ground operations and service roles. Individuals working at this level will apply knowledge and skills to demonstrate autonomy and limited judgement in structured and stable aviation operating contexts within narrow parameters. Trainees may be employed in baggage handling, customer service, ground or ramp operations.

Outcome on completion of your HSC

- Certificate II in Aviation (Ground Operations and Services) AVI20219 in AVI Aviation Training Package.
- Advanced standing into the ground operations and services sector of the Aviation industry.
- Significant credit towards higher level Aviation qualifications.

Course delivery

- Both on the job and off the job and can be delivered face-to-face, flexibly or mixed mode.
- The SBT term is calculated in months from the date of commencement to 31 December of the HSC year.

Commitment required

- Undertake a minimum of 100 days in paid employment and training.
- Undertake Certificate II in Aviation (Ground Operations and Services) AVI20216, course as part of your HSC.
- The employment and training can be undertaken during school time, after school and during school holidays.

How will you be assessed?

- Both on the job and off the job through written tests, project work and practical exercises.

Course	ATAR eligibility	HSC unit credit
Aviation	No	4 units over two years towards your HSC for the formal training component (VET course).
Industry-based Learning course (optional)	No	<p>This optional course recognises the significant work component involved in the school based apprenticeship.</p> <p>The course offers an additional 4 units credit towards your HSC.</p> <p>This HSC VET course does not contribute towards the calculation of the ATAR.</p>
