VET courses

Financial Services

This course provides the foundational knowledge and skills to commence a career in the accounting, banking and broader financial services industry.

Is this course right for me?

Financial Services reflects the role of entry level employees working across the entire financial services industry who perform duties relating to administrative, clerical and customer service roles in banking, credit management, insurance and retail financial services. Individuals at this level apply skills and knowledge to demonstrate autonomy and judgement and to take limited responsibility in known situations under general supervision.

Where can this course take me?

The job roles that relate to this qualification may include:

- finance and insurance customer service officers
- accounts officer
- payroll officer
- bookkeeper
- financial services manager

This course can lead to further study, such as:

- FNS40222 - Certificate IV in Accounting and Bookkeeping
- FNS50222 - Diploma of Accounting
