

## Anti-bullying: Activity 5 School areas

### Where does bullying occur?

Record details of bullying behaviours seen in different areas of the school.

#### Part A

| Where does bullying occur?            | Types of bullying behaviour          | When it occurs            |
|---------------------------------------|--------------------------------------|---------------------------|
| <b>Example:</b> <i>school canteen</i> | <i>demanding money from students</i> | <i>recess/lunch times</i> |
| My group's area is:                   |                                      |                           |
|                                       |                                      |                           |
|                                       |                                      |                           |
|                                       |                                      |                           |
|                                       |                                      |                           |
|                                       |                                      |                           |
|                                       |                                      |                           |
|                                       |                                      |                           |
