

Anti-bullying: Activity 7

Bystander roles

Bystander roles

There are many reasons a bystander may choose to act or not act when witnessing someone being bullied. Most reactions fall into one of these four groups. Discuss some examples:

<p>Reinforcer</p> <p>Behaviours include laughing, cheering, encouraging</p>	<p>Assistant</p> <p>Behaviours include actively helping, such as blocking exits</p>
<p>Outsider</p> <p>Behaviours include silent observation that could be interpreted as approval</p>	<p>Defender or upstander*</p> <p>Behaviours include active support for the person being bullied</p>

* An UPSTANDER is someone who takes action or stands up when they witness someone being bullied or treated unkindly.
