THE BARBER SHOP
SCISSOR TWISTER

Full Moon Parties in New Wolf City are THE BEST!

There's plenty of dancing ...

... howling at the moon ...

... drinking Wolfshakes ...

... and watching Star Trek.

And when the sun returns and the party's over and all the werewolves have had their werewolf nap, it's time to get a haircut to shed that excess hair.

Wally Werewolf has always owned the best barbershop in New Wolf City. In fact it's the only barbershop in New Wolf City.

Wally and his apprentice, Marg, prepare the shop.

Should be busy today, Mr Wally?

Oh yes, Marg. There will be queues of hairy customers as far as the eye can see. Just the way I like it!

Let's open shop and start the ball rolling. Switch on those clippers and sharpen those scissors!

Hello and welcome to ...

OH MY! I don't believe it!

What is it, Mr Wally?

We've got competition, Marg ... and they're right across the road, stealing our customers!

EPISODE 2
NEW WOOLF CITY. POLLY'S
HAIRWORLD HAS STOLEN EVERY
WEREWOLF CUSTOMER FROM
WALLY ... AND HE'S NOT HAPPY!

Still no customers. What could be so special about Polly's? I need to find out what's going on inside that place.

Marg! I need you to go on a super-secret, deep-cover mission of the utmost importance. I need you to pretend to be a normal, everyday, happy-go-lucky customer and break into Polly's.

I need to know what's going on inside that place. I need to know EVERYTHING! Now GO!

Soon. What's taking Marg so long?

Maybe she's been found out? Perhaps I shouldn't have sent her on such a dangerous mission!

RING RING RING RING

Hello? Hello? Marg? Marg? Can you talk? What's happening over there?

I've been waiting in the queue for hours ... I've finally made it through the door.

Go on ...

I don't believe it! It's the most magical place that I've ever laid eyes on!

The shop is so gleamy ...

The hairdressers are so creamy ...

The haircuts not cheesy.

I've discovered the owner, Polly Werewolf, recently graduated top of her class at the Wolfgang Diamond Dog School of Hair. She's an amazing talent!

Okay, Marg. Get back here and tell me EVERYTHING!

Soon. ... and that's everything.

Good work. Um ... Marg, why are you wearing that hat?

Hat? Um ... What hat, Boes?

What did you do?

Take off that hat at once, Marg!

I just couldn't help it, Boes.

Isn't it AMAZING?

Oh my! I didn't think the Octopus cut was even possible! We're in trouble. This Polly means business!

THE OCTOPUS!
