EAL/D on-demand professional learning courses on MyPL

A number of short, recorded, on-demand courses are available on MyPL.

The courses cover a range of skills and knowledge relevant to teachers of EAL/D students.

Course name	Duration	Description and MyPL link
Curriculum planning support for EAL/D learners	5 hours	This suite of online, self-paced microlearning modules is designed to equip K-12 teachers to identify and meet the learning needs of their EAL/D learners. The modules support teachers to strengthen their capacity for curriculum planning, programming and assessment for EAL/D learners.
EAL/D Conversations podcasts	various	The EAL/D conversations podcasts explore features of EAL/D education across NSW government schools, unpack elements of second language acquisition and highlight practices that support effective teaching and learning for EAL/D students.
EAL/D effective school practices **NR31769**	1 hour	The EAL/D Effective school practices report (CESE) identified the teaching, leadership and school organisational practices that were characteristic of schools which produced sustainable improvements in EAL/D student learning. Based on the research, five effective practices were identified for successful EAL/D education in schools. These five practices provide the framework for the EAL/D effective school practices school resource, a practical guide where each practice is described in detail, with suggested strategies and resources to support schools. This session will introduce participants to the EAL/D Effective School practices report and the school resource and highlight ways that schools can use this
