SEN Teacher

Disclaimer: ASEPA (Australian Special Education Principals Association) have joined together with UK-based nasen (National Association for Special Educational Needs) to work in partnership to crowd-source free resources that may be useful in supporting children with complex and/or additional learning needs.

Who is this resource for?

This website has learning materials that are free to share and use at home. The Print tools on SEN Teacher allow you to create, adapt and share resources for a wide-range of abilities. No login or registration is required to use SEN Teacher.

How can my child use this resource?

As parents of students who may have additional learning and support needs or disabilities, you may need some help to make all of this technology work for your child. Below is a link to some 'How to Videos' to support parents with making it easier to work online.
The screen shot shows what you will see when you click on the link.
